Saint by Faith

According to the Bible, a saint is one separated from the world and consecrated to God; a believer in Christ (Psalm 16:3; Romans 1:7; Romans 8:27; Philippians 1:1; Hebrews 6:10). Becoming a saint starts right here on earth, the minute you accept Jesus as your Savior and Lord. Our sainthood does not rest in our works but in our belief. Our beliefs should represent the way we believe. If they don't match, it is hard for others to see the love of Christ in us.

Contradiction Example:

Belief: I love God and He wants me to love others more than myself.

Action: Just called Scott a Loser because he made our team lose the game.

Can you give a contradiction example?

Get a Parent

All Saint's Day is celebrated on November 1st. Many Methodist churches use the first Sunday to light a candle and say a prayer for those who have passed away in the last year. Get a parent, light a candle, and say a prayer for the saints that have gone to Heaven this past year. Talk with your parents about their lives and the spiritual lessons you learned from these saints.

Modern Day Saints

There are many saints in the world today that make an impact on others Christian lives. List the saints in your life or research any modern day saints and list below.
