FOCUS SCRIPTURE Mark 4:37, 39 pg. 868

A furious squall came up, and the waves broke over the boat, so that it was nearly swamped...
(Jesus) got up, rebuked the wind and said to the waves, "Quiet! Be still!"
Then the wind died down and it was completely calm.

Short Sermon Summary:

The storms of life can overtake us even when we've done the right things. The storm raged all around the disciples even with Jesus in their boat. When was the last time you found yourself in rough waters and assumed you must have done something wrong? If the boat of your life has ever threatened to capsize, You know how important it is to have someone to cry out to.

1. Faith transforms the possibilities of life itself.
2. Faith opens us to the one who can take the storms of our lives to use them to bring us to a new shore loaded with the possibilities for miracles.
3. Faith means trust, not in ourselves, but in the Lord of the wind and the waves

11:00 AM

*As you prepare for worship, enter the Sanctuary in reverence, worship in the spirit of humility.
And leave it not without a prayer to God for yourself, for those who minister, and for those who worship here.*
