Life Group Weekly Highlight: Pray without Ceasing: But How?

Led by Sarah Benson & Teresa Griffin

Prayer is something we learn. Even the disciples asked the Lord to teach us to pray Luke 11:1. If their praying was to make a difference on the human scene there were some things they needed to learn. That is liberating to understand that prayer is a learning process. We can then be set free to question, experiment, and even fail for we know that we are learning. As long as the intent is to be with God, that is all that matters. Bring your Bible and an open heart.
