### New Procedures for a growing church

Mount Olivet is excited that your family is worshipping with us today. We practice Safe Sanctuary polices and desire to provide a safe secure environment for our volunteers, children, and youth that join us in worship and at sponsored events. Are you with a child 5th grade or younger? Are they interested in Children's Church or planning to stay in nursery? Please grab a "We Love Children" sticker and place it on your child and on any items you wish to designate as theirs; keeping the top sticker with you for when it's time to head home. Thank you!
