A Message from the District Superintendent

Help Your Neighbor Sunday

This Sunday is designated as a call to prayer and action for our area. With the passing of Dorian, there is much devastation left in its wake. This Sunday we are all encouraged to gather in our houses of worship to check in on each other, encourage one another in faith and to agree together in prayer for our communities that awaken to life after Dorian. Find places Sunday afternoon to walk out our prayers from Sunday morning. Sometimes just a visit to encourage someone is needed. Other opportunities of cleaning yards or assessing damage to our neighbor’s property so that work teams may be enlisted to help with recovery are needed. Be careful in your helping that you don’t bring more harm.
